Communications 2025/2026

Barbara Wiener

201 6<sup>th</sup> St N Brigantine NJ 08203—609-464-1791—barb.wiener@yahoo.com

Welcome to another year!!!

I'm excited and honored to be the hospital coordinator this year, I look forward to a fabulous year with all my reps to the hospitals and the whole Auxiliary.

There will be a department award Promotion this year for the hospitals. It is to implement the 'Honors Escort' program into as many VA/NON VA hospitals as possible. This is a program that offers a ceremonial escort to veteran patients who pass away while at a Medical Center, Community Living Center, Nursing Home or Hospice. I am very excited about bringing this program to all our hospitals in New Jersey. There will be more information on this promotion in the upcoming communications. But if anyone has any questions, please feel free to contact me.

Also, there will also be Certificates of Recognition for all Auxiliaries that donate to 5 or more of our sponsored VA Hospitals, we have 7 in total.

If any Hospital Rep or member has a party or an event, I'd like it if you could email the date and time to the event. I would love to attend as many hospital/nursing home parties as possible. Also, very important, make sure you fill out the Hospital & VAVS Activity Reports each month for any of your events. Especially remember to fill out the number of volunteers that go to the hospitals/nursing homes. These numbers are very important for the end of the year. The forms have changed, so please read carefully.

Also, Hospital Reps, if you haven't scheduled your Christmas Hospital party yet, please do so as soon as possible. Some hospitals get booked up quickly, and we don't want to schedule any on top of each other. Once scheduled, please email me the dates, so I can keep the Commander and President informed. Remember, December 7<sup>th</sup> is Pearl Harbor Day, please do not schedule a party that day, thank you. (The Holiday State Party for Vineland is December 14, 2025)

Remember we not only have 7 sponsored VA Hospitals, but there are hundreds of nursing homes and other medical facilities that house our Veterans. They all deserve to be acknowledged and remembered.

Thanks for your support and donations to our East Orange Veterans. The joy on their faces when we walk in cannot be explained especially bringing Pizza which they love and sweet treats.

Parties on the PTST Unit are limited to about 10 volunteers and have to be scheduled through CDCE FORMALLY KNOWN AS Volunteer Service.

They will need to know

1. Type/theme of event
2. Preferred date and alternate if applicable
3. Service you're interested in hosting for
4. How many participants /volunteers what will be provided to the veterans along with any other information you think will be needed to ensure a successful event

I tried to have a party on the Spinal cord unit but they had food restrictions. Just remember food must be purchased and in original packing or catered nothing homemade. On the PTST UNIT you NEED TO BE CAREFUL OF THE UTENSILS. No pictures of the Veteran signs are posted. On the PTST Unit they are not allowed to leave the unit so outside activities are very limited. Puzzles, word find books and seasonal clothing and packaged candy, crackers and cookies, always appreciated.

To book a party in East Orange please call CENTER FOR DEVELOPMENT & CIVIC ENGAGEMENT CDCE 973-676-1000 ext.2745

Mercedes Chambliss chief, Latisha Eaves and Thelma Miller

Wish list and donation form attached

Have a great party, if possible, include your youth groups.

I want to thank Madam President for allowing me to stay on as the VAVS representative. In the past I have enjoyed this position and I am looking forward to a bright New Year. I will continue to work with voluntary services, so that not only both our organizations will strive forward, but our Heroes will have their needs and wishes at hand. Our Veterans gave their all for our freedom and now it is our turn to serve our beloved heroes.

If you want to volunteer, you will need to call Voluntary Services at 908-604-5814. To order canteen books you need to call in advance 908-647-0280. If you would like to book a party or an outing, you will need to call Recreation Therapy Department to schedule 908-604-5810. The head of voluntary services is Mercedes Chambliss, and she is for Lyons and East Orange campuses. Kim Gregory is the Lyons Voluntary Services.

May God's love help us to strive to continue to show our Veterans we support them, appreciate all they gave for us, and we will always be there to give them hope for a brighter future.

I am happy to once again be appointed as Menlo Park Hospital Representative.

I want to thank all the Auxiliaries and Posts who have supported the residents this year by attending the activities that were planned.

As you know the Home is now cashless so if you are going to book a bingo party, you will need to either bring a check made payable to the Home, or hand the cash over the night of the bingo to the recreation staff. So far the Auxiliaries that have held bingo parties since its cashless have had no complaints.

Please contact me if you would like to book a bingo or any other activity/event. This year we had parties for Valentine's Day, St. Patrick's Day, Easter & Christmas. If you can't host an event by yourself please contact me and we can put you with another Auxiliary to host an event. Or maybe you are interested in making a monetary donation, if so please send them to Department Treasurer, Paula Pinto.

I am in the process of obtaining dates for upcoming events, once the dates are confirmed I will pass them on.

Once again thank you for all your past support and I look forward to working with all the Auxiliaries again this year in making the lives of our Veterans at Menlo a little sweeter.

What better way to Forever Serve Veterans than by taking care of our hospitalized veterans.

**Veteran's Haven North is in Glen Gardner, NJ. It is a program that was established in September 2012. The program is a perfect combination for a highly effective and efficient transitional housing program for homeless Veterans.**

**Vet Haven North is a two-year transitional housing program. The goal is to support veterans in developing a permanent solution to their homelessness. They offer skills training and counseling to help them to graduate from the program with a job and their own place to live.**

**Admission Criteria: Veterans must be homeless. Individuals must be a Veteran under USDVA guidelines. Veterans must be eligible for VA healthcare benefits. Applicants must be drug and alcohol free at the time of admission.**

**There are so many things we can do as an Auxiliary to help them achieve their goal to become a contributing member of society by hosting special events, parties, social or even just by visiting and talking to the veterans trying to make them feel that they have people who care and support them. We need to make them feel someone cares about them.**

**Through the year I will be putting out the wish list for Vets Haven North. They always need books and puzzles. Personal hygiene products like shampoo, conditioner, soap, and such are always needed. They also need female hygiene products. They have been looking for women's slippers and undergarments. I will be putting out what they need during the year.**

**If you are having something at the facility, please let me know so I can try to attend. Any department events I will share the dates. If you need any help scheduling any event call and I will help.**

Veterans Haven South is a state run facility, that gives a homeless veteran a chance to get back on his/her feet and re-establish quality of life. That is the core purpose of VHS. It hasn't been easy for a lot of our veterans, coming back from serving. Many suffer PTSD from their experiences and some turn to alcohol and drugs to deal with the issues they suffer from. Unfortunately, substance abuse leads to homelessness, isolation, loss of family and a hard road to get back to their normal life. Veterans Haven South offers these struggling veterans just such a chance.

VHS gives up to 90 homeless vets, male and female, the opportunity to re-establish their lives. This is a drug and alcohol free facility where they run 3 phases in the rehabilitation process: Treatment, Self-Reclamation and Community Reintegration. Each phase lasts from three to six months and is tailored to individual treatment needs and vocational interests. Once ready, the vet finds employment, which hopefully grows in to a sustainable income and within 2 and a half years, is able to set up their own housing and go on to live their lives again as contributing members of society. VHS has about an 80% success rate and a number of the former residents even come back to visit with their fellow comrades and help them progress to a better life as well.

Veterans Haven South is funded by the State of New Jersey and the Department of Military and Veterans Affairs, so their core needs are taken care of: utilities, meals and rehabilitation programs. What the facility receives from donors like the VFW Auxiliary are the "luxuries" in life we all take for granted. Socks, toiletries, a new pillow or blanket, snacks and treats and much more. These are the items that help make a dormitory like stay nicer. Additionally, when a veteran completes the program and moves on to an apartment or home of their own, it's often without anything, including a bed. Donations of towels, beds, kitchen equipment are always badly needed, to help a veteran set up their new home.

Each year, we ask Auxiliaries to make a hospital cheer donation. These funds help pay for the annual Christmas party we throw jointly with the VFW. Please be sure to send your cheer donation in early – we start shopping as early as October, to get the best deals for our veterans!

I hear a lot of auxiliaries say they can't "throw a party" or host an event, because they don't have the funds to do it. If that's the case, then can I recommend you make a monetary donation, in any dollar amount to the Veterans Haven Budget? \$5.00 here, \$10 there, adds up and with pooled donations, we're able to hold a party for you – send some pizza their way or just drop off treats for them to enjoy. Knowing they're not doing this alone, that someone is thinking of them, helps boost their confidence so they can get better and go on to live a productive life. Imagine being part of that!

Any questions? Give me a call any time!
