National President Lois Callahan has two (2) Special Projects for this year.

VFW/VFW Auxiliary Joint Special Project

National Commander Carol Whitmore and National President Lois Callahan have a Joint Special Project benefiting the National Home. If you remember, a few years ago, Past Commander in Chief Duane Sarmiento and Past National President Carla Martinez built a store on the National Home campus. This year, they are looking for financial donations to "Stock The Store." They need storage equipment (for both cold and dry storage), grocery items to stock the shelves, and a Point-of-Sale system.

National President's Special Project

For her Special Project, National President Lois Callahan has chosen to raise funds to increase the awards for Continuing Education Scholarships. Currently, the National Organization awards four (4) Scholarships of \$2,500. Each scholarship represents a winner from each of the four Conferences.
