# AMERICANISM

**2025 - 2026**

Sandy Reed  
732-343-1133  
Vfwauxiliary7508@gmail.com

**HAPPY NEW YEAR TO ALL!**

As we begin a new year, January offers the perfect moment to reaffirm one of our most cherished responsibilities as Auxiliary members: promoting Americanism in our homes, our schools, and our communities. Americanism is more than patriotism—it is the daily practice of honoring our nation's ideals, respecting our flag, and teaching future generations the meaning of freedom.

This month, let's encourage our members and community partners to start the year with intentional acts of Americanism, including:

- Displaying the U.S. Flag properly at home or at your Post
- Sharing the meaning of the Pledge of Allegiance with youth groups or classrooms
- Recognizing local heroes—veterans, first responders, educators, and volunteers
- Supporting veterans and military families through acts of kindness and outreach

## **January Highlights & Opportunities**

- Martin Luther King Jr. Day – January 19, 2026

Honor Dr. King's legacy by participating in a Day of Service. Encourage members to volunteer in ways that uplift the community and reflect the American values of equality, unity, and compassion.

- Patriotic Education

Share resources on flag etiquette, the history of our national symbols, and the importance of civic responsibility. Consider hosting a brief Americanism moment at your January meeting.

- Youth Engagement

Invite students to participate in flag-raising ceremonies, patriotic art projects, or discussions about what America means to them. Small activities can spark lifelong respect for our nation.

## **Call to Action**

As we step into 2026, let's lead by example. Every flag we raise, every veteran we thank, every child we teach strengthens the fabric of our nation. Americanism is not a once-a-year program—it is a daily commitment to honor the freedoms our veterans fought to protect.

**\*\*Take pictures, update your checklist and send them to me!**

## Auxiliary Outreach

I hope everyone logged their holiday volunteer hours for Auxiliary Outreach. Please use the attached sheet to help you keep track. We are halfway through our program year. Year end reports are due by April 1st. I have attached that, as well. Please remember that when volunteering for another organization, you must be identifiable as a VFWA member. You can wear a hat, pin, or t-shirt to let people know that our NJ VFWA is a shining example of what it means to serve its community and honor the sacrifices that our family members made during their military service. Listed below are some opportunities I've found on social media. If you or your Auxiliary works with a particular group, please let me know so that I can feature them in a future promotion. Finally, if you post pictures, please use the hashtags **#auxiliaryoutreach** and **#NJVFWA**

January 2026

I hope everyone enjoyed the holidays with family and friends.

Well, here we are a New Year!  
Can you believe it!

Now is the time to start sharing ideas for Poppy Drives. Round up volunteers for canning. Check local businesses for permission to leave a can on their counter and monitor regularly. Let's plan and set goals to do better than last year. After all, shouldn't we always strive to do better. Check with your Commander and/or their Quartermaster to order extra Poppies if needed. Encourage all members to participate. We are a TEAM and when we work together, we can accomplish great things.

Pinterest is an excellent site to find new ideas for using the "Buddy" Poppy in displays or decorating. Sometimes making a nice display for a canning event can create a draw for people to come see what is going on. Catch their eye.

Have fun and let's get Shakin'!

January 2026

Just to share a clip I found on the VFW National Home site.....

On Saturday, December 6th, the National Home celebrated its 97th Cootie Christmas—and the day was nothing short of magical. Santa and Mrs. Claus made a special appearance, bringing along a pair of cheerful elves who filled the air with Christmas carols. The festivities kicked off with a talented magician who amazed families with his tricks, while colorful face painting added an extra layer of fun for children and adults alike.

This is just one of the many things that is done on campus for our Veterans and their families. With the new year here, there will be many more exciting things planned for our residents.

Last month I told you a little bit about the Daycare offered on campus. This month I would like to share some info on the Recreation offered on campus. Promoting fun, friendship and fitness is the goal of the Recreation Program. On campus, the Recreation Program manages the community center and gymnasium and hosts numerous activities, including open hours for indoor and outdoor recreation, arts and crafts, and weight training. Recreation also hosts a variety of off-campus activities and field trips, including trips to the local pool, bowling alley, skating rink, and adventures further out to amusement parks and camping trips. The National Home's participation in the local 4-H Program is managed by the Recreational staff. Residents ages 9-19 years old can participate by raising a rabbit or hog to show at the Eaton County Fair in July of each year. Animals are raised at the Montana Farmstead on the National Home campus. How great is this! Kudos to the Staff for a great job!!!

***EXTENSION & REVITALIZATION  
JANUARY 2026***

***HAPPY NEW YEAR ALL!!***

Now that 2026 has started let's enter it with a BANG. There are many Auxiliaries in our Department that are doing great, but some I know that are in need of a little push. District Presidents please reach out to your Auxiliaries and see who needs help. I can assist you in many ways, just let me know. I haven't seen many red light or yellow light Auxiliaries but there are a few. I am very glad that I've seen mostly green light Auxiliaries.

I am glad to announce that the Department of New Jersey has three (3) new Auxiliaries in the works.

As I've gone around the Department with Madam President I've met a lot of wonderful members who are eager to help our Veterans, let's get that word out to others. Do you know of any Posts that do not have an Auxiliary to assist them, send them my way.

**Until next time From Sea to Shining Sea Honoring Veterans Who Keep us Free, while Forever Serving Veterans. Happy Fishing.**

Well Hello and welcome to January!! It's the start of the New Year and new beginnings.

First let's talk about Volunteerism. "a person who does something, especially helping other people, willingly and without being forced or paid to do it." Everyone volunteers at a nursing home, assisted living facility, or a VA sponsored hospital. But do you all record your hours??? Did you know about the volunteer pins that are available? Attached you will find two sheets, one for your hours and what work you have done and the other for the pins that you could all be receiving.

We have 7 VA sponsored facilities, and for the first time in a long time every one of them had a Christmas party. They were all a huge success!! Thank you to all the Hospital Reps in getting the parties together, you all did a fabulous job!! And thank you to all who showed up to volunteer, donate and just to spend time with our Veterans. It means a lot to our Veterans to show how much we care about them.

Don't forget to hand in your monthly activities report. It should be handed in every month if you are doing any activity. Please don't wait until the last minute. It is very important to hand those in, to keep track of hours and money spent. Also, when handing in receipts they go to Paula Pinto, I do not need to see the receipts, just the reports.

### NATIONAL SALUTE TO VETERAN PATIENTS

This is a key time for VA volunteering, which will take place from Sunday, February 8<sup>th</sup> to Saturday, February 14<sup>th</sup>, 2026. Centered around Valentine's Day, encouraging community involvement and visits to VA facilities to honor and support veteran patients through activities like card giving and offering volunteer services. You can participate in Valentine's card distribution, special events, recreation and provide companionship. Reach out to your local churches, boy and girl scout troops and other organizations to help you with this event.

Thank you all for your help and donations to our individual VA hospitals, again without you all we would not be able to put on the events that we do.

If anyone has any questions or concerns, please feel free to reach out.

I'd like to thank the Department of New Jersey Auxiliaries for their generous donations and allowing me, Alice Kordowski and Annette Arocho-Bautista to host a Christmas Party at the hospital on 12B the PTST unit on your behalf. The party was held on Monday December 15 from 3-4:15 the menu consisted of Pizza, chicken wings with dipping sauces, beverages, cake, cupcakes, Christmas cookies, and assorted chips. Luckily dinner was late I wonder if they ate it because they really enjoyed the refreshments served. You were generous with gifts (lol) sweat pants, colorful tee shirts and thermal shirts. They seemed pleased with everything and it was a great time had by all. They played name that tune with Christmas songs. Sorry not allowed to take photos of the resident's policy restrictions. They were happy for the visit and couldn't thank us enough and our VFW AUXILIARY and send you greetings.

The next event will salute to Veterans in February I haven't figured out details or set a date yet. I will inform you with details later. Looking to do something on a different unit. If you have any questions or concerns with EO please feel free to contact me

The 2025 VFW/VFWA Veterans Haven South Christmas Party was a HUGE success thanks to all of your donations and participation!

The veterans enjoyed a very nice dinner and along with gifts from individual auxiliaries (thank you!!), the residents also received gift bags with treats from the Dept through your donations.

Every time you think your "small" donation doesn't do much, when combined with other heart felt "small" donations, we can do something BIG and the gift bags are the product of all those collective "small" donations! Each bag had snacks the residents could keep in their room (peanuts, tuna spread, peanut butter with graham crackers and saltines, granola bars, gold fish crackers, Oreos and assorted candy). A universal USB charger was also in each bag for their phones or any other device. We also had enough left over that they will be enjoying a pizza party dinner one night in January!

And a very BIG thanks those that came to celebrate with us – those Auxiliaries in attendance were: 3525, 2189, 9462, 1963, 386 and our own Department President Gloria Lisicki and her Chief Margaret Russo. It was so heartwarming to see so many members come share an evening of holiday cheer with the residents of VHS – THANK YOU!! Pics were posted on the Dept Facebook page – be sure to check them out!

LEGISLATION  
JANUARY, 2026

Oh my goodness where does the time go. It was just Thanksgiving, and now we have celebrated the Holidays, the New Year, and another year is ready and waiting to go. I hope that everyone had a great time with family and friends, and of course, out veterans..

It is the start of a New Year, but our work for our veterans is never over. The VFW is asking our veterans to submit their experiences and stories through VFW Voices of Service – Stories in Action. The stories which are submitted will be used by the VFW National Staff (only with permission) to educate congress and the public about how veterans' policies affect real people. The stories (with permission) will be used to help in congressional meetings, briefings, testimony, oversight discussions, and other official advocacy and communication efforts to help bring policy issues affecting our veterans to life.

We should also be aware of the VFW's legislative priorities. These stories will make sure that their real experiences are used where they can most effectively protect veterans' earned benefits. Attached below are Links to the form which you can use at your local and district meetings, place them at any community events or outreach events (with permission), or email them to your members. There is no deadline for the veterans to submit their stories. The veterans can also submit their stories as <https://forms.gle/3R4toepnSpDFipvU6>.

I am also attaching a page which has been designed for easy distribution at events or meetings. Please place them where they will do the most good and help our veterans.

#### ***Auld Lang Syne***

"Should old acquaintance be forgot and never brought to mind?"

"Should old acquaintance be forgot and old lang syne?"

Now that I have you singing that song in your head, do you know what "old lang syne" means? It's a Scottish phrase for "bid farewell", so what we're singing is, "should old acquaintance be forgot and bid farewell", we're letting go of an acquaintance, a friendship, or perhaps a fellow auxiliary member...we can't let that happen!

There's still time to bring those members back that didn't pay by December 31. Anyone whose dues weren't paid are now LAPSED members. This means, they can still pay their dues and lose none of their membership privileges, if paid before the end of the 2025/26 year. So while we often give up trying to reach out after December 31, it's really more important now, to continue reaching out to get them to come back while there's still time!

So while we write up our New Year's resolutions to stop eating chocolate or go to the gym more – also make a resolution to personally reach out to those members that have lapsed – try just one more time to let them to know they're missed AND wanted!

I wish everyone the best 2026 has to offer and I'm always here if you have any Membership questions!

Happy New Year! Did you receive any entries yet for the Young American Patriotic Art and 3-Dimensional Art Contests or Continuing Education Scholarship opportunity? Get the word out if you have not. These are great opportunities for education funding and showing the great talents of our youth and membership. This month I will be attending the Department Voice of Democracy and Patriot's Pen awards dinner and lunch. I hope to see some of our Auxiliary Chairs and President's at these events. Have you planned your local award ceremony? I would love to know what our auxiliaries are doing to recognize those who have participated in our annual contests.

Our year end reports are due April 15<sup>th</sup>, yet I would love to see what our New Jersey Auxiliaries are doing to highlight and promote these programs. I know you are doing the work, let's highlight it. Behind your Malta Login you can find the national award being given for our scholarship program. I encourage you to consider applying for the National recognition along with our Department awards given in Wildwood.

With that said, document what your Auxiliary is utilizing to promote these programs and award the participants. National and I would love to see the great work we are doing. I had the opportunity to correspond with the National Ambassador and would love to share your work with him.

### **National Joint Special Project**

Several years ago, a General Store was built on the campus of the VFW National Home. As many of you know the VFW National Home in Eaton Rapids, Michigan is in the middle of nowhere. This is both positive and negative. The positive – those needing treatment can focus on what they need to. The negative – the closest market is a 40-minute drive.

This year, National Commander Carol Whitmore and National President Lois Callahan have chosen for their Joint Project is to “Stock The Store”. They are looking for financial donations to purchase shelving units, refrigerators, freezers, etc. Please do not send these units to the National Home! Donations can be sent through MALTA!

Don’t forget to send in the money for your Special Project Pin money to Department Treasurer Paula Pinto.

Cervical Health Awareness focuses on preventing cervical cancer through vaccinations and screenings like PAP smears and HPV vaccinations.

National Blood Donor Month encourages blood donation to those in need. Consider contacting the American Red Cross to schedule a donation or consider hosting a Blood Drive.

**\*\*ANNOUNCED AT FALL CONFERENCE\*\***

Welcome to 2026!

This month, the topic to be discussed is Veteran and Veteran Spouse's employment assistance. Having a job and maintaining a job is not easy for many. It can be quite a bit more difficult for a service member, veteran and their families.

While on active duty, those in the military have jobs within their Military Occupational Specialty (MOS). For some, their spouses also have jobs either on base or in the nearby town(s). They are financially stable and can provide for themselves and their families. However, when the service member's time is completed and separates from the military, the life they knew has changed. They have left a structured existence and now need to adapt and find a job.

Some MOSs can translate to the 'civilian' job market, while others do not. It is not easy to find a job that fits their skills. Often, this applies to their spouses, who have also left a stable job. So, there is not just one family member looking for a job, but possibly two (or more). Many of us can relate to the difficulties of searching for a job. It can be both overwhelming and frustrating. Also, the economy can play a role in adding more stress to an already stressful situation.

Regardless of the circumstances, members of the VFW and Auxiliary can step up and provide valuable assistance. How? By hosting a job fair with local employers. By assisting the service member/veteran and/or their spouse to improve their skills or learn new ones. By looking into the larger corporations that offer 'veteran preference' positions within their company and passing this information on to the service member or veteran. Offering any help can go a long way.
