History of Americanism in the Auxiliary

Do you know the date of when the Auxiliary was initiated?

Do you know who the first National President was?

Do you know that the Auxiliary foundation is base on Congressional approval?

Do you know what the first program that the Auxiliary promoted?

These are some questions you should know, if not find the answers and let your auxiliary know them as well.

Trivia Time
The National Guard is the oldest military component December 13, 1636

Americanism is an exciting program and the foundation of our Auxiliary. Knowing about our Auxiliary and how it began and what it has become is a rewarding knowledge.

Start gathering materials to help promote Americanism in your community. It doesn't cost much and some of the things you can order through the VFW Supply or make up your own and give them out at picnics, parades, any event where you can promote this program.

your job is important. You carry the flag, you say the Pledge at meetings and see to it that the Flag is always in good condition and facing the proper way and in the correct spot on the floor. Read about Flag Etiquette and teach your auxiliary members so they know the proper etiquette or rules for the flag. Remember you job is important.

We will be Rocking our Veterans and his family through out the year and always.

It is almost back to school time. You should start thinking of ways to get into schools to promote Americanism.

- Flag Education
- Flag History
- Veterans in the Classroom

These are things we should be doing to promote Americanism in our youth. Coordinate with your Youth Activities Chairman about doing programs in the schools, day care or nursey schools, Boy and Girl Scout troops, sports, Churches. Doesn't cost any thing, unless you make hand-outs for the youth. Keep our YOUTH involved.

Patriotic Instructors

You have an important job to do in your auxiliary.

- *make sure the flag is clean and always facing the right way and position.
- *instruct on Auxiliary protocol
- *keep Auxiliary updated on patriotic holidays

Teach patriotism through acts of honoring the flag and proper care.

AMERICANISM POP SIGNS

This program sounds like it will be fun, especially if you have a very creative mind.

I'm sure you all remember this poster of Uncle Sam, this is the idea of POP signs.

Create a sign that depicts the VFW Auxiliary,

Patriotism, Americanism and values we hold dear. You can use any media

like such as: Excel, paint

or AI to make your sign. I have not heard about the sizing yet, but will find out for you.

So get those creative juices working and create an awesome POP sign. There is an award from National for the best POP sing/meme promotion as well as on the Department level. I am looking forward to these awesome signs.

End of Year Reports: LOOK at your end of the year reports and decide which one you would like to do. You don't have to do all of the choose one or two. Those will enter the contest, rem your projects in order and

Let's get those rocking horses going and Rock for Veterans and their families.

“BUDDY” POPPY PROGRAM - August

Sandy Reed
11 Darwin Road
Old Bridge, NJ 08857

As summer begins to wind down, August is the perfect time for Auxiliaries to start preparing for one of our busiest seasons of the year. Veterans Day and fall community events will soon be upon us, making now the ideal time to plan your Buddy Poppy distributions and educate your community about the significance of this beloved symbol.

The Buddy Poppy is much more than a fundraising flower. It is a reminder of the sacrifices made by the brave men and women who have served our country. Every Buddy Poppy distributed helps honor our veterans while supporting programs that provide relief and assistance to those who have worn our nation's uniform.

This month, take a moment to check your Buddy Poppy supplies, schedule upcoming distribution dates, and recruit volunteers. Reach out to local schools, businesses, community organizations, and event coordinators to explore new opportunities to share the story of Buddy Poppy with your community.

Remember to tell people that the Buddy Poppies are assembled by disabled and needy veterans, providing them with meaningful work while raising funds that remain dedicated to veteran welfare.

Together, we can ensure that the Buddy Poppy continues to serve as a symbol of honor, remembrance, and hope.

- Remind volunteers that they are not “selling” Poppies but distributing them with the hope of getting donations.
- Donations collected during the “Buddy” Poppy distribution will be allocated to the Relief Fund per our Bylaws.
- “Buddy” Poppy Display Contest will take place at our State Convention in Wildwood 2027.
- To order Poppies, <https://checkout.square.site/buy/UQRPIDCPOW7SXGGFS5K5KKVM> Poppies will be sent to the post Quartermaster.

NATIONAL HOME

As families prepare for a new school year, we are reminded that many military and veteran families face challenges that can make those transitions difficult. The VFW National Home exists to provide hope, stability, and support when it is needed most.

The National Home's mission extends far beyond its beautiful campus in Michigan. Through family assistance programs, case management, educational support, and the Helpline, military and veteran families across the nation can receive guidance and resources to help them overcome life's obstacles.

This month, take the opportunity to learn more about the services offered by National Home and share that information with your Auxiliary and community. You never know when someone may need those resources, or when your conversation could connect a military or veteran family with the help they deserve.

As members of the VFW Auxiliary, we are proud to support a program that has been changing lives for more than a century. Every donation, every educational effort, and every conversation helps strengthen the promise that no military or veteran family has to face hardship alone.

Rocking For Our Veterans and Their Families

New Jersey Special Projects

Vet Haven South

Department President Camilla Albano has chosen Vet Haven South as one of her Special Projects. As many of you know, Vet Haven South has no cook in the kitchen. The hospital supplies its meals on the same property.

We are working hard to purchase a food truck kitchen and equip it with the supplies needed for cooking, etc.

Please send donations to Department Treasurer Paula Pinto, earmarked for Veterans Haven South.

New Jersey Veterans Assistance Program

The second project, the New Jersey Veterans Assistance Program, will be a Joint Project with the VFW. The Veterans Assistance Program was established to help Veterans with unexpected expenses that may come up in their lives, such as a car payment, utility bills, etc. Monies will be paid directly to the company requesting payment up to \$599.

Donations should be sent to Department Treasurer Paula Pinto, earmarked Veterans Assistance Program.

Pin money should be sent to the Department Treasurer for the Special Projects. The Rocking Horse pin will be collected and split between Department President Camilla Albano's two Special Projects.

2024-2025 Cancer Fundraiser Update

As promised, one of the two organizations that was given half of the \$16,000 raised, Breast Intentions, has been sending me periodic reports of what they used the donated funds for. I received the latest update and want to share it with you all. It shows just what all your hard work accomplished, in helping those who are fighting cancer.

Thank you again for all your hard work in 2024-25 – your generosity made a difference in the lives of some very deserving people.

Dear Friends in Caring,

Thank you for your continued support of Breast Intentions. Because of you, women facing breast cancer receive help, comfort, and hope when they need it most. Below are just a few of the lives that have been touched **BECAUSE OF YOU**.

- RB is an 81-year-old widow who is raising her grandson while battling breast cancer. She faced eviction after falling behind on the lot rent for the trailer she owns. Her daughter had passed away from breast cancer just three years earlier, and every Social Security check was going toward heat and hot water. **BECAUSE OF YOU**, Breast Intentions worked directly with her landlord, paid the balance owed, and secured a promise that she would not lose her home while continuing treatment.
- AL battled breast cancer a decade ago and recently learned that the disease had returned and spread to her liver. Her diagnosis became stage 4 metastatic breast cancer. While she and her husband were trying to absorb the devastating news, his employment ended, leaving the family without health insurance and paying each month for COBRA coverage. Their savings quickly disappeared. **BECAUSE OF YOU**, Breast Intentions paid two months of COBRA premiums.
- GL is a 41-year-old mother of two who was diagnosed with stage 2 invasive breast cancer and underwent a bilateral mastectomy followed by 16 rounds of chemotherapy. Unable to work and denied disability benefits, she watched her mortgage and car payments fall behind. Child support also suddenly stopped after her former husband lost his job. Despite chemotherapy, she continued to work three days a week simply to survive. **BECAUSE OF YOU**, we paid her mortgage and car payment.
- CR is a 57-year-old woman battling stage 4 breast cancer while also receiving treatment for end-stage renal disease. She lives with her sister and children on a limited disability income that barely covers basic necessities. Every month is a struggle to choose between medication, utilities, and food. **BECAUSE OF YOU**, we paid her electric and Internet bills and provided grocery assistance, easing an overwhelming burden.

- LP is a 49-year-old mother of four. What began as a simple rash beneath her arm was treated with creams and antibiotics, and she was even diagnosed with shingles before finally finding a physician who immediately recognized inflammatory breast cancer, one of the most aggressive forms of the disease. She underwent surgery and chemotherapy, yet the cancer remained. She continues treatment, while her husband's business has struggled since the pandemic, leaving the family unable to keep up with household expenses. **BECAUSE OF YOU**, we paid two months of their mortgage, utility bill, and provided grocery assistance.
- FT is a 52-year-old woman whose breast cancer returned after years of treatment. Unable to work while waiting for disability approval, she and her daughter struggled to keep up with rent and utilities. **BECAUSE OF YOU**, their rent and overdue utility bills were paid, giving them precious peace of mind during unimaginable circumstances.
- TR is a 39-year-old mother of two. She currently has no income while waiting for disability benefits. As the primary breadwinner for her household, she feared losing her apartment while trying to fight cancer. **BECAUSE OF YOU**, we were able to pay two months of rent, providing her stability when she needed it most.
- OT is a 40-year-old woman with metastatic triple negative breast cancer. She underwent a double mastectomy followed by radiation, only to learn that the cancer had spread to her spine, chest, and stomach. She works part time when she is physically able, but she and her husband struggled to keep up with everyday expenses. **BECAUSE OF YOU**, Breast Intentions paid their car insurance, car loan, natural gas, and phone bills, relieving some of the enormous stress they face each day.

These stories are only a small glimpse into the lives **YOU** continue to transform. Your generosity provides more than financial assistance, It restores dignity, eases fear and gives family the chance to focus on what matters most; healing and precious time together.

Sincerely,

Mike Ruane and Erika Rech

Now that the National Convention is over and the newly installed National President and her line officers. Its time to roll up our sleeves and began to look out for Auxiliaries that may be having trouble. Let's hit the ground early and look out for the signs that an auxiliary is nearing the red zone. How can you tell if and Auxiliary is in trouble. 1st members not attending meetings, 2nd dues not paid or members transferring, and 3rd no wanting to take an office or chairmanship, these are things that called for help. When auxiliaries reach out for help it's the care of the organization to want to help them get back on their feet the best way we can. That's why Mentoring is caring and helping within our auxiliaries. As you Department of Chief of Staff reaching goals in maintaining Auxiliaries to stay in the Green Line and not fall below the Red Line. As the year progress on the object of Extension & Revitalization is to maintain and help strength our current auxiliary before introducing New Auxiliary. Resources has develop many tools available to members which are valuable. These tools can help our current auxiliaries to more productive. Reach for the Goal and let's keep our Auxiliaries out of the RED.

Welcome to August, hope that everyone is enjoying their summer and not melting from the heat or getting washed away by the downpours!!

Don't forget about your Veterans in nursing homes during the summer, remember they are there year-round, not just on holidays.

There are lots of hospital promos and incentives for your auxiliaries this year, National and Department. You can look in Malta for the National awards, from recruiting volunteers to having parties with the veterans. And don't forget the Department Awards!!

Deliver as many cards as possible throughout the year to the Veterans, 1st prize is \$50 and 2nd is \$25. Not only major holidays, but birthdays, get well cards, Veterans Day, Memorial Day, and just thinking of you cards. There are plenty of nursing homes out there with Veterans just waiting for a card.

Also, try working with you VFW post and do a joint party, bingo, BBQ or other activity. The Auxiliary who has the most joint parties with the Post will receive \$50!!!!

And don't forget about volunteering, the most recruits and the most hours. Fill out the forms and receive pins for hours. Attached you will find a list of pins and the hours. I'd love to hand out several pins at Wildwood next year!!

I'm going to try to visit all 7 VA Hospitals this year, so far, I've got 2 down. So, if you are having an event, please reach out to me and I will see if I can attend.

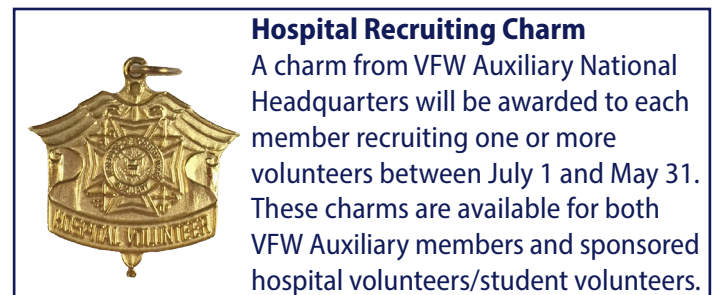

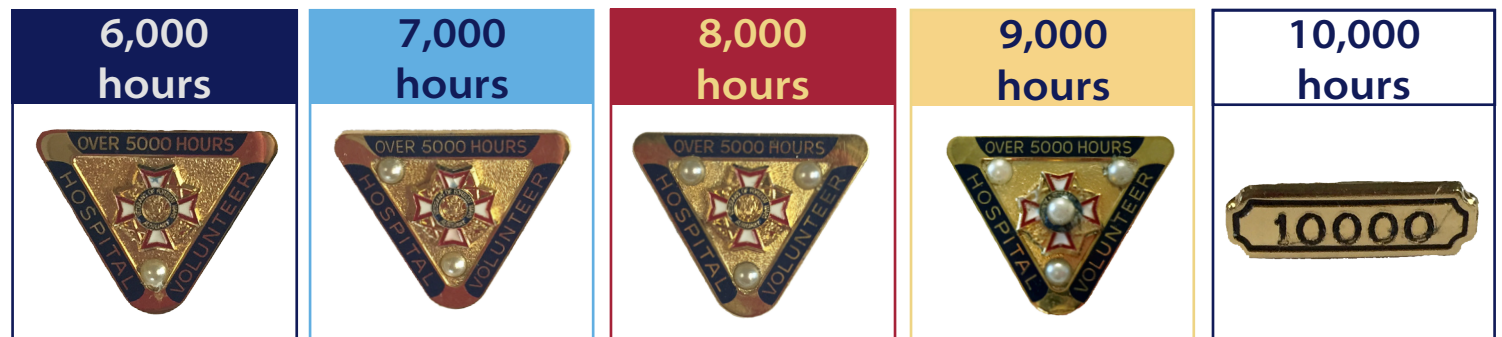

Looking forward to a very exciting year.

VFW Auxiliary Hospital Volunteer Service Pins

Pins bearing the VFW Auxiliary emblem and designating the number of hours a volunteer has devoted to hospital work will be awarded to members in good standing who have volunteered a minimum of 150 hours under the VFW Auxiliary sponsorship in any hospital (VA and non-VA). ONLY the pin or bar indicating the highest number of accumulated hours, per request, will be awarded and should be worn.

Pins between 6,000 and 9,000 hours are triangular with an additional pearl for each 1,000 earned. A bar guard signifying 10,000 hours may be attached to this pin, and bar guards are available for each additional 1,000 hours.

NOTE: Please apply for pins when accumulated hours are earned by volunteer. Applications for hospital volunteer service pins are available online in MALTA Member Resources. Applications are to be prepared by the local VFW Auxiliary Hospital Chairman. All pins are available from VFW Auxiliary National Headquarters at no cost to the Department, Auxiliary, member or non-member volunteer. If you have questions, please contact VFW Auxiliary National Headquarters at 816.561.8655 or info@vfwauxiliary.org.

Thank you all for continuing to show our veterans at Veterans Haven South the love!

This is a great place of growth and offers life-changing programs for those veterans who are struggling after their military service. For the duration of their stay at Vets Haven South (approx. 2 to 2 ½ years), they get rehabilitative services, job placement opportunities and learn to thrive in a community setting of other veterans. The end goal? To be fully self sufficient and strike back out on their own, with new coping skills and bring their lives “back online” so to say.

This is a state funded facility, but as with any institution, their basic needs are taken care of, but it's the “little luxuries” that most veterans there miss and that's where we come in! As one veteran there told me when I asked him what they would appreciate most, it was items I didn't really think of: dryer sheets, flip flops for the shower, batteries for alarm clocks, cleaning wipes for their rooms.

As each resident has a small refrigerator, “luxury” snacks, you and I take for granted are greatly appreciated, like small bags of cookies and cracker. Individual peanut butter containers, small packages of tuna, granola bars, etc. Other items greatly appreciated are slippers, socks and new pillows.

Let's keep showing the love for Veterans Haven South – remember, it's a hand UP, not a handout. Let's give them the little luxuries while they work to make a better future for themselves!

Hello everyone, and welcome to the beginning of a fantastic year!!!

Vineland has a lot of activities going on all the time. Here's a few that I have planned already. And everyone is invited to come and join in at any of these fun activities, no special invitations are needed.

Topsy Turvy Tent Circus—Wednesday October 14th—2pm

Turkey Bowling—Wednesday November 18th—2pm

State Christmas Party—Sunday December 13th—11AM

They always have items on Amazon for their wish list. And they can always use large candy bars, and Tasty cakes

I'm also looking for a few donations for a couple of the events---you can send these items to my house or give them to me at a function. Thank you

Circus or Zoo stuffed animals

Eagles, Phillies, 76ers, or Flyers items (anything, plastic mugs, hats, key chains, ect.)

Costume Jewelry—Word find books—slip free socks

Lg, xlarge, and xx large white tee shirts

And don't forget to fill out the forms with your hours and amounts by the end of each month, it will be greatly appreciated.

Thank you to all who have donated time and money to Vineland, the Residents appreciate everything we do for them and look forward to all events.

August 2026 Communication

As the new year starts up, this is a great time to decide how you want to collect your auxiliary's memories this year. As the Historian for your auxiliary, it's your job to be the memory keeper and collector of the five W's: who, what, where, when and why.

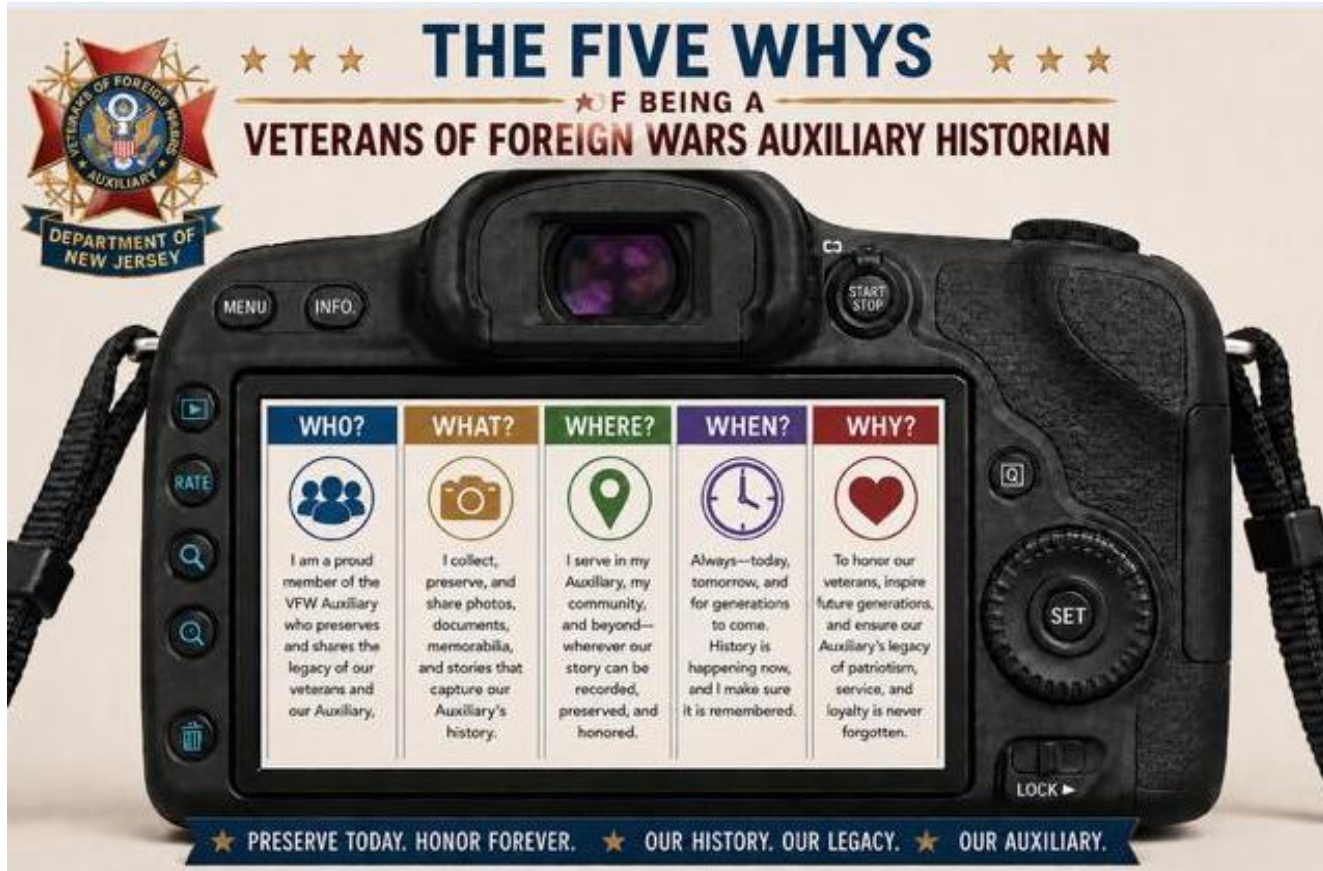

I know from traveling around the state for the past few years, visiting with auxiliaries, that you are all BUSY! I hope that while you're doing all the hard work for our veterans, you're taking the time to record it, by picture or video. This doesn't have to take up a lot of additional time, just a few pics (we all have phones that do that these days 😊) or a quick video showing the project you're doing. Then post it - I hope all of you have an Auxiliary Facebook page! If you do, I would LOVE you to send me an invite to follow you and see the good work you're all doing (I'm on Facebook as Denise Post Beckler).

So why is sharing what you do so important? The biggest reason is it gets the word out to friends and family and can be a great recruiting tool. With a Facebook page, you can share your events and activities with your community. And don't hesitate to post on your town FB page – let them know there's an organization in their town helping veterans! I often feel that VFW Auxiliaries are the best kept secret within our towns because we just do the work, we don't think to show it and share it – well... get the word out! If you have a local community paper, do a write up as the Auxiliary Historian and send it in, with a picture or two, see what happens!

Being a historian isn't just about taking some pictures and maybe putting together a photo album for the post. It's about recording your efforts to help veterans within your post and community and then letting others know what we're all doing collectively – So get that camera/phone out and takes those pics and videos, but **DON'T STOP THERE!** Post on Facebook and Instagram – email local newspapers and spread the work that the VFW Auxiliary is there for our veterans!

If you ever need any assistance, please don't hesitate to reach out at any time!

Welcome to the 2026-27 NJ Membership Team.

Let's kick our new Auxiliary year off right by throwing our first touch-down to reach our first membership award. How you say? Well have you sent out your annual dues reminder letters? Have you encouraged your members to switch to life membership?

Have you set up recruitment stations at your local festivals/fairs? There are plenty of them around during the summer months.

I hope to be able to give out a lot of green by having every Auxiliary reach the first goal of \$20.00 to each Auxiliary that reaches 80% in membership by August 31st.

As we start to enjoy the summer let's not forget that the game is always on. We are one team coming together to Ignite Our Passion of ***Serving America's Heroes.***

Our National Ambassador, Kim Davis is encouraging all of us to roll out the Red Carpet for all our winners. Make the Awards presentations an event the winners will never forget: an event they will tell their friends and relatives about. That's how we spread the word on the programs we sponsor like The Voice of Democracy and Patriot's Pen.

By now you should have ordered all the tools at your disposal for these programs through the VFW Store. Did you get your pamphlets with the application forms and posters available for a nominal fee (50 for \$7.00) for both the Voice of Democracy and Patriot's Pen programs. I sure hope so. You can also download the application on the VFW website.

Did you order the Citations available for Winners and participants. Did you explorer the VFW Store site and check out the many gift items that are available for your winners and participants.

Put your best foot forward when presenting the literature on these programs to your school representatives or teachers. Look professional. Wear an Auxiliary shirt or something Patriotic. You only get one chance to make that good impression. You are a reflection of our Organization.

REMEMBER: This year's Theme for both programs is: What a Veteran taught me about America.

VFW Patriot's Pen – This program is open to students grade 6 – 8, consisting of an essay of 300 to 400 words on a patriotic theme. National winners will receive up to \$5,000.00

VFW Voice of Democracy – This program is open to students grade 9 – 12 consisting of an audio essay regarding a democratic patriotic theme. National winners will receive up to \$35,000.

Deadline for both programs on the Auxiliary level is October 31, 2026.

Summer Reading!

How many remember being assigned books to read over the summer by a teacher or two? Then, in September, doing book reports? If the book was interesting, so was the report, and hopefully, the grade. Or, sitting with your child(ren) over the summer flashbacking to what you did as a child?

If your answer is 'Yes', you understand the importance of reading and encouraging our youth to read. So why not organize a 'reading to youth event' at your VFW Post. Adults or older children or Scouts can read to the younger children. Have the children read out loud to all or to an older veteran that happens to be at the Post. I am sure the veteran will have a smile on their face.

Make sure to have selections from the VFW Auxiliary's Patriotism Through Literacy Booklist available. The booklist was updated in 2025 and is broken down into grade ranges. It can be found in MALTA Member Resources, Youth Activities or on National's newly redesigned website under "What We Do", scroll towards the bottom and click on Youth Activities, then page down to "Promotes Patriotism through Literacy" and click on the 'blue' lettering. Here is the link: <https://vfwauxiliary.org/what-we-do/youth-activities>.

If you do not have a chance to purchase books, check out your libraries or local book nooks around your neighborhood. Set up your own book nook and see what someone has left and/or taken. You cannot have too many book nooks!

Oh! The places where reading and imagination will go is unlimited!
